

The board is committed to the education of all students, to an awareness of the concerns and aspirations of the community regarding the quality and performance of the school district, and to the employment of a superintendent who will see that the district maintains a position as an outstanding school system and under whose leadership school personnel will carry out the policies of the board with imagination and dedication.

Additionally, the board will strive to achieve the following:

1. To interpret the educational needs and aspirations of the community, and to meet them through the formulation of policies that stimulate the learner and the learning process.
2. To oversee the school district in accordance with board policy.
3. To provide leadership in order that the goals and objectives of the school district (as set forth in the policy manual) can be effectively carried out.
4. To maintain communication with all segments of the community served by the schools.
5. To develop and provide the data appropriate for the management functions of planning, evaluating, organizing, controlling and executing.
