

WHEREAS, the Board of Education recognizes that in the event of a natural disaster or other emergency affecting the Long Island area there may be a need on the part of the citizenry for temporary shelter or other related aid, and

WHEREAS, the Board of Education desires to make every effort to meet the needs of the citizenry under such circumstances,

BE IT RESOLVED that whenever the Board of Education, by a majority vote of its members, or in the event that a majority cannot be reached, an agreement between the superintendent or his/her designee and at least one member of the board will determine that an emergency situation exists, the American Red Cross and/or the Town of Oyster Bay will be authorized to use the schools of the Hicksville School District for the purpose of providing shelter and aid to citizens in need of such services.
