

**Worker's Compensation Coverage for Board Members**

It is the policy of the Board of Education that coverage be provided for school board members and for the District Clerk at the expense of the district.

The central administrator supervising the Business Office is authorized to execute the required Notice of Election form for submission to the Chairman of the Worker's Compensation Board as recommended by the Superintendent of Schools.

Board Approval Date: April 8, 1960

Revised: November 15, 1995
