8. SEQRA Resolutions

The Board of Education, upon the recommendation of the Superintendent, approves the following SEQRA Resolutions for Proposed Building Additions and Improvements intended to be presented to the qualified voters of the District for approval in a Capital Bond Proposition.

Hicksville High School Property

Proposed Building Addition and Improvements at the Hicksville High School Property

SEQRA Classification: Unlisted

(1) Lead Agency Designation

WHEREAS, the Board of Education of the Hicksville Union Free School District (“Board of Education”) is considering a building addition and improvements at the Hicksville High School property, including the District administration building, located at 180 and 200 Division Avenue, hamlet of Hicksville, Town of Oyster Bay, Nassau County, NY (“proposed action”); and

WHEREAS, the proposed action includes the construction of an approximately 17,500±-square-foot, single story, building addition at the northwest corner of the school for a new swimming pool and related spaces; improvements to the auditorium for the creation of a Performing Arts Center, with band and choral rooms integrated into the space, new green and practice rooms, acoustic upgrades, replacement of finishes and the installation of air conditioning; interior renovations to several spaces, including: (1) renovations to the kitchen

AGENDA - Board of Education – August 17, 2016

and reconfiguration of spaces to connect two cafeterias for an open concept space, with a new exit door to be installed; (2) renovations to the main office, including the replacement of ceilings, lighting, flooring, doors and restrooms; and (3) renovations to the technology rooms, including wall demolition, replacement of finishes, upgrades to electrical, new equipment and carpentry; roof replacements over cafeteria and kitchen areas; and miscellaneous upgrades to and/or replacement of HVAC systems. Also being considered is an approximately five-foot widening of the driveway to Newbridge Road to improve turning movements, which would require alterations to the existing sidewalk adjacent to the tennis courts; and

WHEREAS, the proposed action also includes improvements to the District Administration Building, including interior building renovations and the reconfiguration of spaces for improved functional areas, including the installation of new windows on a select area of building (west wall) and upgrades to HVAC and computer systems; repaving of the existing parking lot; and construction of a new ADA ramp; and

WHEREAS, pursuant to 6 NYCRR §617.4 and 6 NYCRR §617.5, the Board of Education reviewed the proposed action and has preliminarily determined that same is an Unlisted Action; and

WHEREAS, pursuant to 6 NYCRR Part 617, coordinated review of an Unlisted Action is optional, and was not undertaken by the Board of Education;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Education hereby designates itself as lead agency pursuant to the implementing regulations of the State Environmental Quality Review Act, specifically 6 NYCRR §617.6(b)(4), with respect to the above-described proposed action.

(2) SEQRA Determination - Unlisted

WHEREAS, the Board of Education of the Hicksville Union Free School District (“Board of Education”) is considering a building addition and improvements at the Hicksville High School property, including the District administration building, located at 180 and 200 Division Avenue, hamlet of Hicksville, Town of Oyster Bay, Nassau County, NY (“proposed action”); and

WHEREAS, the proposed action includes the construction of an approximately 17,500±-square-foot, single-story, building addition at the northwest corner of the school for a new swimming pool and related spaces; improvements to the auditorium for the creation of a Performing Arts Center, with band and choral rooms integrated into the space, new green and practice rooms, acoustic upgrades, replacement of finishes and the installation of air conditioning; interior renovations to several spaces, including: (1) renovations to the kitchen and reconfiguration of spaces to connect two cafeterias for an open concept space, with a new exit door to be installed; (2) renovations to the main office,

AGENDA - Board of Education – August 17, 2016

including the replacement of ceilings, lighting, flooring, doors and restrooms; and (3) renovations to the technology rooms, including wall demolition, replacement of finishes, upgrades to electrical, new equipment and carpentry; roof replacements over cafeteria and kitchen areas; and miscellaneous upgrades to and/or replacement of HVAC systems. Also being considered is an approximately five-foot widening of the driveway to Newbridge Road to improve turning movements, which would require alterations to the existing sidewalk adjacent to the tennis courts; and

WHEREAS, the proposed action also includes improvements to the District Administration Building, including interior building renovations and the reconfiguration of spaces for improved functional areas, including the installation of new windows on a select area of building (west wall) and upgrades to HVAC and computer systems; repaving of the existing parking lot; and construction of a new ADA ramp; and

WHEREAS, pursuant to 6 NYCRR §617.4 and 6 NYCRR §617.5, the Board of Education reviewed the proposed action and has preliminarily determined that same is an Unlisted Action; and

WHEREAS, the Board of Education declared itself lead agency for the proposed action, pursuant to the implementing regulations of the State Environmental Quality Review Act, specifically 6 NYCRR §617.6(b)(4); and

WHEREAS, the Board of Education, as lead agency, has caused to be prepared Parts 1, 2 and 3 of the Short Environmental Assessment Form (SEAF) and a traffic and parking assessment; and

WHEREAS, the Board of Education has reviewed the aforesaid SEAF and agrees with the contents thereof;

NOW, THEREFORE, BE IT RESOLVED that, the Board of Education, as lead agency for the action contemplated herein, after review of the proposed action and 6 NYCRR Part 617, hereby determines that the above described project is an Unlisted action; and

BE IT FURTHER RESOLVED that, based upon the information contained in the SEAF and other relevant information, the Board of Education, as lead agency for the action contemplated herein, and after due deliberation, review and analysis, hereby determines that the proposed action will not result in significant adverse impacts to the environment, and hereby adopts the annexed Negative Declaration.

Proposed Improvements at the Hicksville Middle School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Hicksville Middle School; and

WHEREAS, the proposed projects include interior building renovations and reconfiguration of the main office spaces (including ADA-compliant spaces, security improvements, expansion to restroom facilities and the replacement of doors), renovations and upgrades to the existing library, and upgrades to and/or the replacement of HVAC systems (“proposed action”); and

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or facility*” and/or “(2) *replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .*”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the Burns Avenue Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Burns Avenue Elementary School; and

WHEREAS, the proposed projects include interior building renovations, improvements to the existing library (including associated demolition, masonry, piping, electrical and window wall casework modifications and finishes), replacement of select awning-type windows, and upgrades to and/or the replacement of HVAC systems (“proposed action”); and

AGENDA - Board of Education – August 17, 2016

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or facility*” and/or “(2) *replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .*”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the Dutch Lane Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Dutch Lane Elementary School; and

WHEREAS, the proposed projects include interior building renovations and the reconfiguration and improvements to spaces (including the renovation and conversion of existing library for instructional areas, and conversion of select interior spaces for new media center and computer lab), upgrades to and/or the replacement of HVAC systems and the replacement of select awning-type windows (“proposed action”); and

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or facility*” and/or

“(2) replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the East Street Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the East Street Elementary School; and

WHEREAS, the proposed projects include interior building renovations, reconfiguration of spaces and improvements for the creation of a Media Center / Computer Lab. Also proposed are upgrades to and/or the replacement of HVAC systems and the replacement of select awning-type windows (“proposed action”); and

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of *“(1) maintenance or repair involving no substantial changes in an existing structure or facility”* and/or *“(2) replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .”;*

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the Fork Lane Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Fork Lane Elementary School; and

WHEREAS, the proposed projects include interior renovations and improvements to the existing library, replacement of select awning-type windows, and upgrades to and/or the replacement of HVAC systems (“proposed action”); and

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or facility*” and/or “(2) *replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .*”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR§617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the Lee Avenue Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Lee Avenue Elementary School; and

WHEREAS, the proposed projects include interior renovations, reconfiguration and improvements to the library and other educational spaces, roof replacement over the Kindergarten and kitchen areas, and upgrades to and/or the replacement of HVAC systems (“proposed action”); and

AGENDA - Board of Education – August 17, 2016

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or facility*” and/or “(2) *replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .*”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the Old Country Road Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Old Country Road Elementary School; and

WHEREAS, the proposed projects include interior renovations, reconfiguration and improvements to library and educational spaces, roof replacement over intermediate wing and above canopy, replacement of select awning-type windows, and upgrades to and/or the replacement of HVAC systems (“proposed action”); and

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or*

facility” and/or “(2) replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.

Proposed Improvements at the Woodland Elementary School

SEQRA Determination – Type II

WHEREAS, the Board of Education of the Hicksville Union Free School District (Board of Education) is considering improvements to the Woodland Elementary School; and

WHEREAS, the proposed projects include interior renovations, reconfiguration and improvements to library and educational spaces, roof replacement on single-story portion of building, miscellaneous chimney repair, and upgrades to and/or the replacement of HVAC systems (“proposed action”); and

WHEREAS, pursuant to 6 NYCRR §617.5(a), “[a]ctions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined not to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8”; and

WHEREAS, pursuant to 6 NYCRR §617.5(c)(1) and (2), the proposed action is classified as Type II, as the projects consist of “(1) *maintenance or repair involving no substantial changes in an existing structure or facility*” and/or “(2) *replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes . . .*”;

THEREFORE, BE IT RESOLVED, that the Board of Education, after review of the proposed action, 6 NYCRR §617.5, and the opinion provided by KGO Consulting Inc., hereby determines that the proposed action is a Type II Action pursuant to 6 NYCRR §§617.5 (c)(1) and (2) of the implementing regulations of the State Environmental Quality Review Act, and will, therefore, by definition, have no significant adverse impact on the environment.
