

Woodland Elementary School  
Site Based Committee  
Goals for 2014-2015

1. Support the Teacher's College Writing Program – each month a different grade will highlight their work on the tree outside of the All Purpose Room.
2. Promote reading by continuing with the PARP Program and DEAR Program.
3. Highlight the character education trait of the month by reading a book that highlights the trait and have all students on the second Tuesday of the month do a homework assignment that focuses on the trait. This will develop the writing skills of the students.
4. Community service to teach the students of Woodland the importance of giving back to the community.
5. Continue to promote our Positive Behavior Plan “The Woodland Way”.
6. Woodland's website will continue to keep the parents and community informed of all the events in the classrooms and school.
