District Clerk

January 11, 2017

Dear Parents and Guardians,

Welcome back and Happy New Year to you and yours. As we begin our second half of the school year, I would like to take this opportunity to remind all families who drive their children to school of the safety measures we have put into effect to avoid any harm or injury to our students, staff and parents.

When entering the Dutch Lane School property, please respect all direction signs and painted arrows that mark the appropriate route into and out of the Dutch Lane School. Arrows and signs indicate a "One Way" only when exiting from the east parking lot that is used for morning arrival drop-off and afternoon dismissal pickup.

- **Please do not park in the fire lane or between the cones placed there to block the lane. That lane is reserved for emergency vehicles and should be clear of any cars.**
- Please do not park in the Handicap spots. We do have parents and staff who need those spots due to their disabilities.
- Please do not park in the bus lane during dismissal. This lane is for buses only.
- **Instead, please use the numerous parking spots available in the east parking lot. Park your car and walk or watch your child get safely onto the pathway.**

During this winter season with snow removal and the equipment used to do so, there will be times when the red cones are not placed in the **DO NOT PARK fire lane**. That does not open the lane for parents to park or use to drop children off by the curb. **It is a closed lane all day long and all year long.**

Each day, the staff at the Dutch Lane School, strive to provide a safe and academically challenging experience for all of our students. We count on your continued support allowing us to offer this to our Dutch Lane School community.

Sincerely,

Susan Strauss
